STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 7/29/2023 while exercising my duties as a law enforcement officer in the Eastern District of North Carolina -

At approximately 1818 hours, I was patrolling in a marked police vehicle southbound on NC Highway 12 near the intersection of Coquina Beach and Bodie Island Lighthouse Road in Nags Head, North Carolina. This location is within the jurisdiction of Cape Hatteras National Seashore.

During the patrol, I observed a vehicle traveling northbound on NC Highway 12 operating in excess of the posted speed limit while passing multiple vehicles in a no passing zone. Upon use of radar the vehicle was confirmed to be traveling 91 MPH in a 55 MPH zone. The radar emitted a clear solid tone. The vehicle had initiated passing multiple vehicles in a passing zone (broken yellow centerline) but failed to move back into the northbound lane of travel when the passing zone ended (solid yellow centerline).

I began to follow the vehicle, a black 2006 Nissan 350Z, northbound on NC Highway 12 and attempted to stop the vehicle by activating my emergency blue lights and audible sirens. Instead of stopping for my emergency blue lights and audible sirens, the vehicle continued traveling northbound on NC Highway 12 at a high rate of speed and passed multiple vehicles in no passing zones (solid yellow centerline).

While following the vehicle, the flow of traffic was steady with a high number of vehicles traveling in both directions. The vehicle disregarded the safety of others on the roadway by entering the opposite lane of travel multiple times to pass vehicles in no passing zones and traveling at high rate of speed above the posted speed limit. The vehicle exited NC Highway 12 traveling northbound onto South Croatan Highway (US Route 158) and traveled through multiple congested intersections without stopping for the red signal light displayed on the stop lights.

At approximately 1828 hours, the vehicle was located by Nags Head Police Department Sergeant V. Hopson on East Hawk Nest Court in Nags Head, North Carolina. The driver, who was identified by their Virginia driver's license as Tristan R. TAYLOR, was located nearby the vehicle. A bystander who reported seeing the driver of the vehicle stated that the driver was white male wearing a grey colored shirt which matched the description of TAYLOR. No passengers were observed in the vehicle.

Taylor was subsequently arrested for Disorderly Conduct.

While contacting TAYLOR, I observed that TAYLOR's eyes were red, glassy, and there was a strong odor of alcoholic beverage coming from TAYLOR's person.

TAYLOR was transported to the Dare County Detention Center in Manteo, NC where TAYLOR refused to submit to an Intox EC/IR II test.

I issued TAYLOR a mandatory court appearance for 36 CFR 4.23(c)(2) "Refusal to submit to test (Breath Intoxilyzer)".

TAYLOR was held for an initial appearance by Dare County Detention Center in Manteo, North Carolina per orders by Honorable Judge T. Boyle. The initial appearance was scheduled for July 31, 2023, at the Federal Courthouse in Greenville, North Carolina.

The incident was audio and visually recorded by my duty issued Axon 3 Body Worn Camera.

The foregoing statement is based upon:

STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 7/29/2023 while exercising my duties as a law enforcement officer in the Eastern District of North Carolina -

At approximately 1818 hours, I was patrolling in a marked police vehicle southbound on NC Highway 12 near the intersection of Coquina Beach and Bodie Island Lighthouse Road in Nags Head, North Carolina. This location is within the jurisdiction of Cape Hatteras National Seashore.

During the patrol, I observed a vehicle traveling northbound on NC Highway 12 operating in excess of the posted speed limit while passing multiple vehicles in a no passing zone. Upon use of radar the vehicle was confirmed to be traveling 91 MPH in a 55 MPH zone. The radar emitted a clear solid tone. The vehicle had initiated passing multiple vehicles in a passing zone (broken yellow centerline) but failed to move back into the northbound lane of travel when the passing zone ended (solid yellow centerline).

I began to follow the vehicle, a black 2006 Nissan 350Z, northbound on NC Highway 12 and attempted to stop the vehicle by activating my emergency blue lights and audible sirens. Instead of stopping for my emergency blue lights and audible sirens, the vehicle continued traveling northbound on NC Highway 12 at a high rate of speed and passed multiple vehicles in no passing zones (solid yellow centerline).

While following the vehicle, the flow of traffic was steady with a high number of vehicles traveling in both directions. The vehicle disregarded the safety of others on the roadway by entering the opposite lane of travel multiple times to pass vehicles in no passing zones and traveling at high rate of speed above the posted speed limit. The vehicle exited NC Highway 12 traveling northbound onto South Croatan Highway (US Route 158) and traveled thru multiple congested intersections without stopping for the red signal light displayed on the stop lights.

At approximately 1828 hours, the vehicle was located by Nags Head Police Department Sergeant V. Hopson on East Hawk Nest Court in Nags Head, North Carolina. The driver, who was identified by their Virginia driver's license as Tristan R. TAYLOR, was located nearby the vehicle. A bystander who reported seeing the driver of the vehicle stated that the driver was white male wearing a grey colored shirt which matched the description of TAYLOR. When asked why he did not stop, TAYLOR stated he was "scared". No passengers were observed in the vehicle.

I arrested TAYLOR for 36 CFR 2.34(a)(4) "Disorderly Conduct - Creating a hazardous condition".

TAYLOR was held for an initial appearance by Dare County Detention Center in Manteo, North Carolina per orders by Honorable Judge T. Boyle. The initial appearance was scheduled for July 31, 2023, at the Federal Courthouse in Greenville, North Carolina.

The incident was audio and visually recorded by my duty issued Axon 3 Body Worn Camera.

The foregoing statement is based upon:

- ☒ My personal observation ☒ My personal investigation
- ☒ Information supplied to me by my fellow officer's observation
- ☒ Other (explain)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
